The Director

GACarver, Jr.

Transmittal of Agency Reports to State,
Defense and the White House

Attached for your information are copies of two memoranda -- one to McNamara and one to Rostow -- by which I transmitted certain Station disseminations received on 22 June. A copy of the Rostow memorandum and its attachments was also given to Mr. Katzenbach (who was in Rostow's office at the time I sent my memo to Rostow via LDX). These documents were passed around town on an urgent basis at the explicit request of Assistant Secretary Bundy, with whom I was in frequent contact on 22 June.
